SESSIONS INCLUDE;

My Story - JP Carpenter & Dr Amy Pharaoh

People share their own stories and experiences.

Hear from people with personal experience of palliative and end of life care.

Share your Experience - Andy Brogan

What's a typical day? A nightmare day? The ideal day?

Discovering values in the art and science of storytelling - Jackie Le Fèvre

Public services: bespoke by default? - Andy Brogan

How well do current public services focus on what matters? Who's in control?

Results through Relationships - Dr Saskie Dorman & Dr Beverley Lee

Developing a shared purpose & learning through reflection focused on what matters. Putting it into practice. What difference does it make?

Visual Storytelling - Virpi Oinonen

Simple ways to share what matters.

Getting Things Done - Andy Brogan

Simple principles for action—focussing on 'the few things we need to be great at' and learning to be experts at finishing things, not starting them then juggling (non) priorities.
