

A - Z of Fundraising Ideas

Thank you for your support

Each year, Forest Holme cares for over 1,000 people across East Dorset. Our teams offer care and support to patients and their families in a variety of settings; in their own home, nursing homes, care homes, in the hospital or in Forest Holme itself.

We rely on the support of amazing fundraisers just like you to allow us to continue providing excellent palliative and end of life care to patients and their families. If you're planning a fundraiser and you need some inspiration, then we have compiled a list of ideas of what you can do to support your local NHS Hospice.

"Forest Home is a sanctuary, it is a place filled with love and kindness, with staff who care and support you and give you their time unconditionally." - Patient's family
